YOU CAN HELP, DONATE TODAY!

The Goombay Bash Live and Silent Auctions, as well as instant-win raffles, are shining stars of our event. Help us build over 300 auction packages with items ranging from restaurant gift certificates to once-in-a-lifetime, “unobtainable” vacations and experiences with celebrities! Through your donation, you’ll be making a tax-deductible contribution that will support The H Foundation’s mission to find a cure for cancer. You will also benefit from exposure to event attendees as all donors are listed in the auction catalog.

We are also accepting donations to the H Foundation Community Wine Cellar. This collection of 200 bottles of quality wine (over \$25 retail value each) will be a highlight of the Goombay Bash Live Auction. The winner will receive an instant “cellar-stock,” built by the community of supporters of The H Foundation!
