They feature a selection of wines from around the world with a focus on small producers and a rotating list of craft beers with a celebration of local Chicago breweries. Stephanie opened Little Goat Diner, serving gourmet takes on comfort food classics and from scratch bakery, across the street just a few years later, and then Duck Duck Goat, featuring creative Chinese fare, around the corner in 2016. Girl & the Goat was nominated best new restaurant by the James Beard Foundation in 2011 and Izard won the Beard award for Best Chef Great Lakes in 2013. She was also named one of Food & Wine Magazine's "Best New Chefs" in 2010. With this package, diners will start at Duck Duck Goat for a selection of Dim Sum items and drinks before moving to Girl & the Goat for more savory dishes paired with cocktails, beer and wine. ## **1004. Canvas Fine Art Portrait Certificate Value: \$2000**

The beauty and exquisite detail of a fine heirloom portrait is unlike anything else. Imagine an unparalleled work of art to honor that which you hold most dear... your family. Gina Sanders uses a unique process that combines the latest in photography technology with the painting traditions of the old masters that are as original and beautiful as fine art. Each project starts with a photo shoot and these photos are then the basis for the final portrait. The photo is transferred to museum-quality canvas and then the staff of trained artists bring the work of art to life as they begin the three month process of painstakingly hand-painting each piece. According to Sanders, "The blend between the realism of the photograph and the classic tactile feel and emotion of a painting is breathtaking. It's so different than anything else."

**1009. Nike Air Jordan Retro 10 DB Value: \$700**

Michael Jordan retired suddenly before his Jordan 9 hit the streets, but that didn't halt any plans to continue his signature line. The lightweight Air Jordan 10 arrived as a tribute to Jordan and was lined with his accomplishments on the sole, and worn around the league by players all over the NBA. The homage proved premature however as Jordan returned to the Bulls in 1995. The highly collectible sneakers are particularly close to the H Foundation as they are from the Doernbecher Freestyle Collection and were designed by Daniel Pena, a 13-year-old Leukemia patient at the Doernbecher Children's Hospital.
